

Window To Your Soul (Original)

by Brett Birkill

Look at your eyes they are the window to your soul
Always hard to keep control
Look at your eyes they are the window to your soul
Your heart is made of gold

Look at your eyes they are the window to your soul
Always hard to keep control
Look at your eyes they are the window to your soul
Your heart is made of gold

For you I have all the time in the world
With you I feel so gooooooooood

Look at your eyes they are the window to your soul
Nothing can ever take a toll
Look at your eyes they are the window to your soul
Forever young I feel you I stole

For you I have all the time in the world
With you I feel so gooooooooood

To your soul to your soul
Window to your soul
To your soul to your soul
Window to your soul

For you I have all the time in the world
With you I feel so gooooooooood
